POMONA VALLEY TRANSPORTATION AUTHORITY WEDNESDAY MARCH 9, 2022

REGULAR BOARD OF DIRECTORS MEETING MINUTES

Present:

Claremont

Kristin Mikula, Community Services Corey Calaycay, Councilmember

La Verne

Muir Davis, Mayor Pro Tem James "JR" Ranells, Assist. City Manager

Pomona

Nora Garcia, Councilmember Shandy Dittman, Public Works

San Dimas

Brad McKinney, Assistant City Manager Denis Bertone, Councilmember

PVTA

George Sparks, Administrator Erika Jacquez, Mobility Manager Diana Mendez, Mobility Manager

Foothill Transit

Doran Barnes, CEO

Network

Freddie Mohammadi, Project Manager

Board Minutes March 9, 2022 Page Two

1. Call to Order

The meeting was called to order at 5:02 p.m. by Muir Davis.

2. Consent Calendar

- A. Minutes (January)
- B. Administrator's Report
- C. Financial Report (November)
- D. Check Register (January/February)
- E. Additional Check Signer Resolution

Action: It was **MOVED** by Corey Calaycay, **SECONDED** by Denis Bertone, Board unanimously **VOTED** to approve the consent calendar as presented.

3. November Operations Report

Erika Jacquez Presenting

Get About ridership has increased, there was a 48% increase in ridership for the month of November. It is anticipated that there will be a decrease in ridership for the month of January. There is an industry wide driver shortage that is currently affecting our ability to obtain new employees. As a result a bonus is being offered for new employees after they have completed their probationary period. Mobility Manager presentations were down in the month of November but are expected to pick up after the holidays. PVTA was awarded a travel trainer grant that will begin in July of 2022.

4. Revised Budget FY 2023

George Sparks Presenting:

The revision is more extensive than previous budgets with the exception of city contributions staying about the same. Revenues will be higher than anticipated, the biggest change is the raising of the amount of general reserve that will be used to program next year's budget. PVTA is also recommending that the \$400,000 capital contribution we were going to take from the reserves be moved up to \$700,000. In terms of PVTA costs we are estimating an increase of about \$43,000 to shorten PERS debt payoff from 23 years to 10 years to save money. There has been an increased estimate in contractor costs based on recruitment for our driving force. Starting drivers wage is at \$16 and PVTA is looking to get into a more competitive scale. The allocation of ridership shares has been adjusted to the current pattern.

Board Minutes March 9, 2022 Page Three

5. <u>Joint PVTA/Claremont Rollout Plan</u>

George Sparks presenting:

PVTA has to present a Zero Emission Bus rollout plan for the Board to approve in the next 15 months. It is a requirement that can be changed at any time, depending on the availability of technology. Some of the challenges facing PVTA are: lack of facilities, (neighboring cities like Claremont do not have space at their facilities), as a local operator PVTA is not eligible for 5307 funds. We will continue to lobby for inclusion in 5307 funding to aid with the costs of ZEB rollout. Claremont is seen legally as a separate entity from PVTA and has to present its own ZEB rollout plan. These plans can be presented jointly which is what we are recommending to the board.

Action: It was **MOVED** by Nora Garcia, **SECONDED** by Denis Bertone, Board unanimously **VOTED** to approve partnering with Claremont DAR to develop a joint ZEB rollout plan and to authorize PVTA staff to consult with Claremont to solicit proposals for the plans development from qualified consulting firms.

- 6. Oral members of the public may address the Board at this time
 No members of the public chose to address the board
- 7. Adjourn at 5:29 pm to the next regular meeting Wednesday, April 13, 2022

AGENDA ITEM #2B

MEMORANDUM

To:

Pomona Valley Transportation Authority

From:

George L. Sparks, PVTA Administrator

Subject:

Administrator's Report-April 2022

A. Board Meeting Schedule

PVTA's board meetings are scheduled as needed to facilitate the planning and budgetary process. Meetings are normally held on the second Wednesday of the month. Our upcoming meeting will be in person on April 13, 2022, at 5:00 p.m. in the La Verne City Hall Council Chambers. We expect the need for one more meeting this fiscal year on either May 11^{th} or June 8^{th} to adopt the FY 2023 budget and elect officers. Normally, we do not meet in July or August.

B. Discussions with Lyft

PVTA staff has begun discussions with Lyft to explore utilizing TNCs as either a subcontractor or program option for PVTA services. Transportation Network Company (TNC) services like Lyft can be funded using local return dollars and in some cases for FTA 5310 projects such as Ready Now or One Step Over the Line. It is less likely that regional formula allocation funds (FAP) which Claremont uses to support its Dial-a-Ride services could be used for TNC services. Our planned next steps include:

- 1. Identify funding sources that can be used to operate TNC based services.
- 2. Clarify operational questions.
 - a. Can TNCs be used to supplement existing PVTA programs like Get About in the same way cabs are used currently?
 - b. What would be the fare structure? Ride limits?
 - c. Can a service like Lyft be integrated into the PVTA smartphone application currently in development?

Administrator's Report April 13, 2022 Page Two

- d. How will riders using mobility devices be accommodated?
- e. Will a new procurement process be required to utilize TNCs?

If TNCs seem to be a viable option for improving PVTA services, staff would move forward with the development of plans for a pilot program to test the concept.

C. The Alliance of Local Operators Seek Increased Funding

PVTA like most of the local transit operators is facing the prospect of significant additional expenses as we move to zero emissions. The recently passed federal transportation and infrastructure bill contain large increases in both formula and discretionary funding programs. In Los Angeles County, only Metro and included operators are currently eligible to receive these federal funds. The Alliance of Local Transit Operators is asking Metro to consider allowing local providers to access these funds to meet our ZEB infrastructure needs and to rebuild services impacted by the pandemic. The Alliance has written Metro's CEO, Stephanie Wiggins and Metro board members outlining our request. A copy is attached to this report. We are hoping to meet with Metro staff to explore potential avenues for addressing these needs.

D. Budget Update

We will be including an update to the FY 2023 budget as a portion of the April board packet. The updated budget includes the initial fund marks for FY 2023. The updated budget contains several adjustments including changes to our revenue estimates and as well as projected expenses. City contributions to Get About remain at the same level as in the revised budget presented in March. Our projected expenses have increased most significantly in fuel costs. We plan to present the budget for adoption at our final meeting of the fiscal year in either May or June.

E. Mobility Manager Update

Mobility managers saw an increase in activity during the month of March. There were 101 registrations for new riders. March was the busiest month for the Transit Store with Access ticket sales along with Omni and Tap. Mobility Managers also handled an increased number of customer service requests and were active in following up on and addressing service related issues.

Group trips were provided to senior groups and to Pomona youth programs. Get About also helped distribute activities bags for their senior participants. Over 140 activity bags were delivered to the seniors that signed up. This was done over the course of 2 days. In person events are resuming and presentations have been set up.

ALLIANCE OF LOCAL TRANSIT OPERATORS

March 23, 2022

Stephanie Wiggins Chief Executive Officer One Gateway Plaza Los Angeles, CA 90012

SUBJECT: New Federal and State Funding Opportunities for Local Operator

Dear Ms. Wiggins,

The Alliance of Local Transit Operators, comprised of over 40 locally funded agencies in L.A. County, was formed to advocate that Federal Transit Administration (FTA) COVID relief funds be allocated to locally funded operators. With the extraordinary amount of new federal formula and discretionary capital funds passed in the Federal Infrastructure Bill to fund transit fleet modernization and climate priorities such as replacement of CNG/gasoline buses with zeroemission buses, our members also need funding to accomplish the transition to zero-emission fleets. We are requesting Metro work with the Alliance and LTSS to allocate new capital funds to local transit operators.

Much like with Metro and our municipal operator peers, our agencies are experiencing the same operational and capital challenges. Bus driver shortages, low ridership, and the implementation of the Innovative Clean Transit (ICT) regulation requiring zero-emission fleets by 2040 are shared issues. However, the resources to address these issues are not. Lack of capital funding for locally funded operators is further exacerbated by the ending of the Call for Projects, and unfortunately, Measure M subregional funds are not yet available in the amounts necessary to deliver capital improvements to meet the national and state climate priorities.

Despite these challenges, our members stand ready to help implement more equitable and sustainable transit services in L.A. County. Federal and state funding programs have prioritized making transit more equitable and supporting the 2028 Olympics. Increasing Local Transit funding with new or increased funding prioritizes equity by keeping the whole region on a level footing, not a select area served by specific operators. Our members provide local paratransit service and crucial first/last mile fixed-route service to access regional bus and rail services. Additionally, helping our members electrify would greatly aid L.A. County and the South Coast Air Basin achieve its air quality and climate change goals.

We appreciate your and Metro staff's assistance with including our members in the distribution of COVID relief funds. This arrangement was essential in helping us stay operational. Our members and the LTSS Subcommittee are excited to work quickly with Metro staff to develop a funding framework such as a countywide Call for Projects with FHWA CMAQ and other Infrastructure Bill program funds for FY 2023. In addition, local operators need Metro grant writing assistance to apply for FTA discretionary grant programs such as Low or No Emission and Buses and Bus Facilities.

We appreciate your consideration of our request. If you have any questions or would like to discuss this further, please contact me at (909) 596-7664.

Sincerely,

George Sparks, PVTA Administrator

Pomona Valley Transportation Authority

From:

George L. Sparks, PVTA Administrator

Subject:

Financial Report for December 2021

Recommended Action: Receive and file

Get About

Fares revenue, interest, and FTA operations revenues are the major variable sources. Fares are running ahead of our projections and should end the year about \$10,000 above budgeted levels. Interest revenues are expected to remain quite a bit lower than budgeted and will likely remain so for the balance of the fiscal year. We expect FTA operating revenues to be about \$40,000 below our original projection. The lower revenue reflects reduced ridership we have seen so far. The reductions in revenue will be offset by the lower costs associated with reduced ridership. We expect to receive about \$70,000 more CRRSAA related funds than we originally budgeted.

The pattern of reduced service levels and reduced contractor expenses has continued. Get About expenses through December are \$260,000 below the prorated budget. Contractor costs are \$194,000 below the projected budget. Administrative, marketing and consultant costs are coming into line with the prorated budget. Based on the initial operations reports for January and February, it appears the pattern of reduced expenses has continued.

Claremont Dial-a-Ride

Claremont DAR's costs through December are \$125,000 below budgeted levels. Claremont costs will end the year well below budgeted levels.

San Dimas Dial-a-Cab

Expenses for San Dimas Dial-a-Cab are about \$60,000 below the prorated budget. San Dimas' share of administration is now in line with the budget.

December Financial Report April 13, 2022 Page Two

Pomona Group

Pomona Group costs are running \$7,000 below the prorated budget. Lower activity in December through February will keep costs lower than the budget.

Check Register - March

Attached is a copy of PVTA's check register for March. This report lists every check written by PVTA for the period indicated. Each service has a separate General Ledger and Accounts Payable, therefore a separate check register. The name of the service is at the top of the page, beginning with our general fund "Pomona Valley Transportation", Claremont Dial-a-Ride, Get About Transportation, San Dimas Dial-a-Cab, and Pomona Group.

General Administration costs like office rent, office supplies, and telephone are paid through the Pomona Valley Transportation fund, and then allocated to each service by journal entry.

The columns on the Check Register Report are:

- ➤ Check #
- ➤ Bank Account "101" is the General Ledger account number for the PVTA checking account.
- ➤ Date the check was written
- > Type Computer generated check
- ➤ Vendor an abbreviation of the vendor name
- ➤ Vendor Name the payee of the check
- ➤ Net Amount the amount the check was written for; if more than one check was written for a vendor there will be a vendor subtotal also listed. Status "Outstanding" means the check has not been reconciled (all checks are manually reconciled, so this computer-generated report will always list the checks as "Outstanding")

Date: 4/05/22 Time: 11:03AM

AGENDA ITEM #2E

MEMORANDUM

To:

Pomona Valley Transportation Authority

From:

George L. Sparks, PVTA Administrator

Subject:

FY 2022 Budget Modification

Recommendation: Approve the Modified FY 2022 Budget

Budget Modification

In September, the board approved the development and acquisition of a smartphone application at a cost of \$89,690. As staff indicated, there were sufficient budgetary savings in other areas to offset the cost of the applications costs without increasing overall expenditures. The added cost of the application will cause us to exceed the consultants line item by approximately \$40,000. The attached budget modification increases the consultant line item in the PVTA administration budget by \$40,000. This amount is offset in the budget by savings primarily in the Get About consultant line item and as well as reductions in market costs for Claremont DAR, San Dimas DAC and Pomona Group.

The attached Modified FY 2022 Budget will not change any member city contributions.
