**CHANGES TO RFP SPECIFICATIONS**

1. Addendum No. 3 Change number 1 requires clarification:

Proposers are reminded that they are proposing rates based on the 1st (partial) year of services and all rates accelerated uniformly each July 1st. For this measure we remind you that you are bidding on an anticipated annualized number of VRH as 25,000 and while we are hopeful that these numbers will go up over time all proposers should base on that number.
